

PRINT-RITE – AEG Elektrofotografie Cooperation

On Dec. 3, 2009, Print-Rite Photoconductor Company Limited ("Print-Rite") and AEG Elektrofotografie GmbH ("AEG") entered into a number of agreements whereby Print-Rite will acquire a major controlling stake in AEG Photoconductor (Shanghai) Co., Ltd. ("APS") (the "Acquisition").

The Acquisition is subject to formal approval from relevant governmental authorities in Shanghai. Upon the successful approval, it is the intention of all parties to start the relocation process of APS as soon as possible and to step up the investment in APS at the new production facility.

Parties herein agreed not to disclose further information.
